

6 TOP TIPS FOR HYGIENIC LAUNDERING

**WASH AT A HIGH
TEMPERATURE, AT LEAST 60
DEGREES, IF POSSIBLE**

**WASH YOUR CLOTHES OFTEN
TO REMOVE VIRUS AND
BACTERIA**

**USE CORRECT DOSING FOR
OPTIMUM WASH RESULTS**

**DRY THE CLOTHES
IN THE
TUMBLER DRYER**

**ALWAYS SEPARATE CLEAN
AND SOILED LAUNDRY**

**ENSURE GOOD HYGIENE IN
THE LAUNDRY AND SHOW
CONSIDERATION**

SHOULD I BE CONCERNED ABOUT USING THE COMMON LAUNDRY?

No. So long as you follow these washing instructions, you don't have to be concerned about using the laundry. The laundry plays an important role in the highly unusual situation where it is important for us all to keep the level of hygiene extra high to reduce the spread of the virus.
